Pastor Mark's Blog – 16th February 2019

The sheep that has strayed from the fold is the most helpless of all creatures. It must be sought for by the shepherd, for it cannot find its way back. So with the soul that has wandered away from God; he is as helpless as the lost sheep, and unless divine love had come to his rescue he could never find his way to God. COL 187.3

Thank God, He has presented to our imagination no picture of a sorrowful shepherd returning without the sheep. The parable does not speak of failure but of success and joy in the recovery. Here is the divine guarantee that not even one of the straying sheep of God's fold is overlooked, not one is left unsuccored. Every one that will submit to be ransomed, Christ will rescue from the pit of corruption and from the briars of sin. COL 188.2
